i.Gear lumio for iPhone® 4(S)

PACKAGE CONTENTS

i.Gear lumio for iPhone® 4(S), USB 2.0 cable (USB-A to mini-USB), operating instructions

FEATURES

General data

- LED mini-projector for the presentation of images, videos or slideshows
- Integrated Li-ion battery – easy charging via the mini USB port
- Convenient charging function – use the i.Gear lumio as a charging station for your iPhone® 4/4S
- Long lamp runtime thanks to powerful LEDs
- Integrated loudspeaker
- Hard-shell case with soft-touch surface
- Perfect design adaption to the iPhone® 4/4S style
- LED indicator
- Focus and volume manually adjustable on the device

With the i.Gear lumio you can project images, videos or slideshows directly from your iPhone® 4/4S against a wall (diagonal from approx. 30 - 130 cm). Thanks to the built-in battery, the mini-projector can be used as a power charger for your iPhone® 4/4S.
